MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is an Owner shall be a Member of the Association. No Owner, whether one or more persons, shall have more than one (1) membership per Unit Owned. In the event the Owner of a Unit is more than one person or entity, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership may be exercised only by a Member and not of a Member's spouse. The membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated in a written instrument provided to the Secretary. Notwithstanding the foregoing, any such person or entity who merely holds record ownership as security for the performance of an obligation shall not be a Member of the Association unless and until such holder has acquired title to a Unit pursuant to foreclosure or judicial proceeding or deed in lieu of foreclosure. Membership shall continue until such time as the member transfers or conveys record ownership or such ownership is transferred or conveyed by operation of law, at which time, the membership, with respect to the property conveyed, shall automatically be conferred upon the transferee, subject to the approval of the Association as indicated in Section 41 of this Declaration. Membership shall be appurtenant to and may not be separated from ownership of property subject to this Declaration.

Section 2. Voting Rights. The Association shall have one class of voting membership. Each Member shall be entitled to one vote for each Unit. When more than one person holds the ownership interests required for membership, all such person shall be Members, and the votes for such Unit shall be exercised by a "Voting Member" as those persons or entities themselves determine and in accordance with the Bylaws; provided however, but in no event, shall more than one vote be cast with respect to each assessment Unit. In the event more than one person or entity for a single Unit seeks to exercise a vote; said vote shall be suspended. If a Unit is owned by a corporation, a general or limited partnership, trust, or other entity, it shall designate in writing one of its shareholders, officers, partners or trustees, as the case may be, to represent it as a Member in which Member shall be the Voting Member for the Unit.

Section 3. Board of Directors. The Association shall be governed by a Board of Directors as provided for in the Articles and Bylaws of the Association. The Board of Directors shall be elected by the Members of the Association.

Section 4. Use of Common Areas. Every Owner shall have a non-exclusive right, privilege and easement of use and enjoyment in and to the Common Areas, subject to this Declaration as it may be amended from time to time, and subject to any restrictions or limitations contained in this Declaration, the Bylaws, the Articles of Incorporation, the Board's Rules and Regulations as same may be amended from time to time, or in any deed conveying such property

to the Association or in any easements or other agreements encumbering the Common Areas. Any Recreational Facilities or equipment furnished by the Association or erected within the Common Area shall be used at the risk of the user, and the Association shall not be held liable to any Person or Entity for any claim, damage, or injury occurring thereon or related to use thereof. Any Owner may delegate his or her right to the enjoyment of the Members of his or her family, tenants, and social invitees subject to reasonable regulation by the Board, and in accordance with procedures which it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

ARTICLE IV COMMON AREA MAINTENANCE

Section 1. Maintenance.

A. The Association shall maintain and keep in good repair the Common Areas, except those areas designated as the Condominium Association's responsibility, if any; such maintenance to be funded as hereinafter provided. This shall mean and shall include, but not be limited to, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and other flora, all lakes, Lexington Club Blvd, the gatehouse, street lighting, mailboxes and the clubhouse. The Association shall provide landscaping maintenance and replacement of all landscaping and other flora surrounding each building of The Lexington Club Villas Condominium, as such areas may require it. The Association has the right, but not the obligation to provide security in the gatehouse at the Association's expense. In addition, the Association shall be responsible for the maintenance, repair and replacement, whether ordinary or extraordinary, and the repair and reconstruction after casualty, for the stucco walls, foundation, fascia and front/side gutters and downspouts which serve the same on the Villas. Further, the Association shall maintain on a periodic basis, or as needed in the opinion of the Board of Directors, the exterior paint, roof and exterior light fixtures of the Villas; such maintenance shall be deemed a Common Expense of the Villas.

B. Material Alterations. The Association shall have the right to make or cause to be made alterations or improvements to the Common Elements and Association Property which are approved by the Board of Directors. However, if the alteration or improvement is "material," then the alteration or improvement must be ratified by not less than a majority of the voting interests of the membership of the Association present in person or via proxy at a member's meeting in which a quorum is present. The term "material" as used in this Section means the following: To palpably or perceptively vary or change the form, shape, elements or specifications of a component from its original design or plan, or existing condition, in such a manner as to appreciably affect or influence its function, use or appearance.

C. Conflict of Maintenance Duties. In the event of any conflict, ambiguity or uncertainty as to whether certain maintenance or other duties as to any portion of the property falls

within the jurisdiction of the Association or the Condominium Association, the determination of the Association shall control.

D. Littoral Zones. As shown on Exhibit "A" attached to the First Amendment to Declaration of Covenants, Conditions and Restrictions for The Lexington Club as recorded in Official Records Book 7015, Page 208 of the Public Records of Palm Beach County, Florida and made a part hereof by reference only, are tracts which are dedicated for littoral zone and water management purposes to The Lexington Club Community Association, Inc., its successors and assigns. These littoral zones are the perpetual maintenance obligation of said Association, its successors and assigns, without recourse to Palm Beach County. It is a punishable violation of Palm Beach County laws, ordinances, codes, regulations and approvals to alter the approved slopes, contours or cross-sections, or to chemically or physically remove, damage, destroy, cut or trim any plants within said tracts without the prior written consent of the Palm Beach County Department of Environmental Resources Management.

Section 2. Owner's Responsibility for Maintenance. In accordance with this Declaration, all maintenance of a Unit and all structures and other improvements within a Unit shall be the sole responsibility of the Unit Owner thereof who shall perform such maintenance in a manner consistent with the Community-Wide standard of the properties and applicable covenants. If this work is not properly performed by the Owner, the Association may perform said work and shall assess the Owner; provided, however, except when entry is required due to an emergency situation, the Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry.

A. Negligence or Omissions by Owners. In the event any maintenance, repair, construction or reconstruction of any portion of the Common Areas are necessitated by the negligent or willful acts or omissions of an Owner or his guests, tenants, invitees, or family, such expense shall be borne solely by such Owner and his Unit, as applicable, which shall be subject to an Individual Assessment for such expense. In addition to and not in lieu of such assessment, the Association has the right but not the obligation to enforce any other remedies available to it at law or in equity against any responsible party for such negligent or willful acts or omissions. Any costs incurred by the Association in the exercise of its authority under this section shall be assessed to the Unit Owner as an Individual Assessment, with full collection rights pursuant to Article IX of this Declaration.

Section 3. Community Control Program

A. Right to Install. The Association shall have the right, but not the obligation, to install and/or contract for the installation of a Community Control Program for each Unit within the Property. All Owners specifically acknowledge that the Property may have a perimeter Community Control Program, such as fences, walls, hedges, or the like on certain perimeter areas. The Association shall not be held liable for any loss or damage by reason or failure to provide an adequate Community Control Program or Ineffectiveness of Community Control Program

measures undertaken.

B. No Liability. The Association shall not in any way be considered insurers or guarantors of the health, safety, welfare or security of any Owner, tenant, Occupant, guest, licensee, employee, invitee, pet or user of any portion of the Property. Any provisions of the Association documents setting forth the uses of Assessments which relate to health, safety and/or welfare shall be interpreted and applied only as limitations on the uses of Assessment funds and not as creating a duty of the Association to protect or further the health, safety or welfare of any persons, even if Assessment funds are chosen to be used for any such reason.

Each owner (by virtue of acceptance of title to his or her Unit) and each other person having an interest in or lien upon making any use of any portion of the Association (by virtue of accepting such interest or lien and making such uses) shall be bound by this provision and shall be deemed to have automatically waived any and all rights, claims, demand and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed in this Section.

As used in this Section, "Association" shall include within its meaning all of the Association's directors, officers, committee and Board Members, employees, agents, contractors (including management companies), subcontractors, successors and assigns, all of which shall be fully protected hereby.

C. Components. The Association may expand, reduce or modify the Community Control System by a vote of the majority of the Board, without the joinder or consent of the Owners or any third parties. The Association reserves the right to, at any time, increase, decrease, eliminate, or add manned or unmanned gate houses, information booths, sensors, gates and other access monitoring measures as it deems appropriate in its sole and absolute discretion.

D. Part of Association Expenses. The cost of operating and monitoring any Community Control System shall be included in Association Expenses and shall be payable as a portion of the Assessments against Owners payment of the cost and expenses of any such Community Control System shall be mandatory for all Owners, regardless of whether or not they utilize the Community Control System or services of such system.

E. Owners' Responsibility. All Owners and Occupants of any Unit, and the tenants, guests and invitees of any Owner, as applicable, acknowledge that the Association, its Board and officers do not represent or warrant that (a) any Community Control System, designated by or installed according to guidelines established, will not be compromised or circumvented, (b) any Community Control System will prevent loss by fire, smoke, burglary, theft, hold-up, vandalism, bodily injury or harm or otherwise, and/or (c) the Community Control System will in all cases provide the detection for which the system is designed or intended. Each Owner and the Association is responsible for protecting and insuring themselves in connection with such acts or incidents. Any modification of the security system in a Unit must be completed by the current security provider at the Owner's expense. The provision of a Community Control System (including any type of gatehouse) shall in no manner constitute a warranty or representation as to the provision of or level of security within the Property.

ARTICLE V INSURANCE AND CASUALTY LOSSES

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Area and may, but shall not be obligated to, by written agreement with the Condominium Association, assume the responsibility for providing the same insurance coverage on the Properties contained within the Condominiums. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one-hundred percent (100%) of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

In addition to casualty insurance on the Common Area, the Association may, but shall not under any circumstance be obligated to, obtain and continue in effect adequate blanket all-risk casualty insurance in such form as the Board of Directors deems appropriate for one-hundred percent (100%) of the replacement cost of all structures located on properties. If the Association elects not to obtain such insurance, then the Condominium Association may obtain such insurance as a Common Expense of the Condominiums to be paid as Condominium Assessments as defined in Article I hereof. In the event such insurance is obtained by either the Association or the Condominium Association, the provisions of this Article shall apply to policy provisions, loss adjustment, and all other subjects to which this Article applies with regard to insurance on the Common Area. All such insurance shall be for the full replacement cost. All such policies shall provide for a Certificates of Insurance for each Member insured to be furnished to the Association or Condominium Association, as applicable.

Premiums for all insurance on the Common Area shall be common expenses of the Association; premiums for insurance provided to the Villas shall be charged to the Villas and premiums for insurance provided to the Condominiums shall be charged to the Condominiums. The policy may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost. The deductible shall be paid by the party who would be responsible for the repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

The Board shall also obtain the following insurance policies:

A. Liability Insurance. The Board or its duly authorized agents shall have the authority to and shall obtain and continue in effect a public liability policy covering all the Common Areas and all damage or injury caused by the negligence of the Owners (and Tenants, invitees, licensees, and household Members), the Association, its Directors and Officers, or any of its agents. Such public liability policy shall provide such coverages as are determined to be necessary by the Board. The Association shall obtain insurance for all other perils including all perils normally covered by the standard "all risk" endorsement where such is available, including but not limited to, vandalism and malicious mischief. An Agreed amount and Inflation Guard Endorsement is required, if

available. Such policies must provide that they may not be canceled or substantially modified by any party, without at least thirty (30) days' prior written notice to the Association. Unless higher insurance requirements are contained in any covenants or restrictions for the Condominiums, the following shall apply: insurance obtained on the Properties contained within the Condominiums, whether obtained by the Condominium Association or the Association, shall meet the requirements of this Article. Costs of such coverage shall be a charge to the Members residing within the Condominiums.

B. Workmen's Comp Insurance. Workers compensation insurance and other mandatory insurance, to the extent available.

C. Flood Insurance. If determined appropriate by the Board or if required by an Institution Mortgage, a master or blanket policy of flood insurance covering the Association Property, if available under the National Flood Insurance Program, which flood insurance shall be in the form of a standard policy issued by a Member of the National Flood Insurers Association, and the amount of the coverage of such insurance shall be the lesser of the maximum amount of flood insurance available under such program, or one hundred percent (100%) of the current replacement cost of all buildings and other insurable property located in the flood hazard area.

D. Directors and Officers Liability Insurance. Each Member of the Board, past and present, shall be covered by Directors' and Officers' liability insurance in such amounts and with such provision as approved by the Board, however such insurance must fund the obligations described in Article V hereof.

E. Association as Agent. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association and costs of all such coverage shall be a Common Expense. Exclusive authority to adjust losses under policies obtained by the Association and hereafter in force with respect to the Property shall be vested in the Board of Directors, provided, however, that no Mortgagee or other security holder of the Common Areas having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto. The Association is irrevocably appointed agent for each Owner of any interest relating to the Common Areas to adjust all claims arising under insurance policies purchased by Association and to execute and deliver releases upon the payment of claims.

F. Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board of Directors, the Owners, and the agents and employees of each of the forgoing, with respect to any loss covered by such insurance, whether or not caused by negligence of, or breach of, any agreement of said persons but only to the extent that such insurance proceeds are received in compensation for such loss.

Cost of insurance coverage obtained by the Association for the Common Areas shall be included in the Annual Assessment as defined in Article I, and as more particularly described in Article IX.

All such insurance coverage obtained by the Board of Directors shall be written in the name

of the Association as trustee for the respective benefited parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in Florida which holds a rating of A or better if reasonably available, or, if not available, the most nearly equivalent rating.

(b) All policies on the Common Areas shall be for the benefit of the Owners and their Mortgagees as their interests may appear.

(c) Exclusive authority to adjust losses under policies in force on the properties obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

(e) All casualty insurance policies shall, have an Inflation Guard Endorsement, if reasonably available, and an Agreed Amount Endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Palm Beach County Florida area.

(f) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the owners, and their respective tenants, employees, agents, and guests;

(ii) a waiver by the insurer of its rights to repair, and reconstruct, instead of paying cash;

(iii) that no policy may be canceled, invalidated or suspended on account of any one or more individual Owners;

(iv) that no policy may be canceled, invalidated, or suspended on account of the conduct of any Director, Officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or Mortgagee;

(v) if any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that no policy may be canceled or substantially modified without at least 10

days' prior written notice to the Association.

(g) The Association's Board of Directors may, in their discretion, obtain such other types of insurance for the Association as they deem necessary.

G. In addition to the other insurance required by this Article, the Board shall obtain, as a Common Expense, if available, a blanket fidelity bond for all Officers, Directors, trustees and employees of the Association, and all other persons handling or responsible for funds of, or administered by the Association. In the event the Association delegates some or all of the responsibility for the handling of the funds to a professional management company or licensed manager, such bonds shall be required for its officers, employees and agents, handling or responsible for funds of, or administered on behalf of the Association. The amount of the fidelity bond shall be based upon reasonable business judgment. The fidelity bonds required herein must meet the following requirements (to the extent available at a reasonable premium).

1. The bonds shall name Association as an obligee.
2. The bonds shall contain waivers, by the issuers of the bonds, of all defenses based upon the exclusion of persons serving without compensation from the definition of "employee" or similar terms or expressions.
3. The premiums on the bonds (except for premiums on fidelity bonds maintained by a professional management company, or its officers, employees and agents), shall be paid by Association.
4. The bonds shall provide that they may not be canceled or substantially modified (including cancellation for non-payment of premium) without at least thirty (30) days' prior written notice to Association.

Section 2. Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all risk casualty insurance on the Unit(s) and structures constructed thereon as provided for in Section 1 of this Article V, unless the Condominium Association in which the Unit is located shall carry such insurance (which they are not obligated to do). Each Owner further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction of structures comprising his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction and the owner shall pay the costs of any repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and the Owner shall continue to maintain the Unit in a neat and attractive condition. The Condominium Association may impose more stringent requirements regarding the standards for rebuilding and the requirements of Individual Insurance.

Section 3. Disbursement of Proceeds. Proceeds of an insurance policy shall be disbursed

as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such cost of repairs or reconstruction to the Common Area or, in the event no repair or reconstruction is made, after making such settlement as it is necessary and appropriate with the affected Owner or Owners and their Mortgagees, as their interests may appear, shall be retained by and for the benefit of the Association and placed in the Capital Reserves Account (or other Reserves Account in the determination of the Board). This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

(b) If it is determined, as provided for in Section 4 of this Article, that the damage or destruction to the Common Areas for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner provided for excess proceeds in subsection (a) above.

Section 4. Damage and Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Areas shall be repaired or reconstructed unless the Voting Members representing at least seventy-five percent (75%) of the total vote of the Association shall decide within sixty (60) days after the casualty not to repair or reconstruct. Any damage or destruction to the common property of the Condominiums shall be repaired or reconstructed unless Owners of Seventy-Five (75%) percent of the Units in the Condominiums shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether the Common Area damage or destruction shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction to the Common Area or to the common property of the Condominium Association shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Properties shall be restored to their natural state and maintained by the Association or Condominium Association in a neat and attractive condition.

Section 5. Repair and Reconstruction. If the damage or destruction to the Common Area or to the common property of the Condominiums for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Voting Members, levy a Special Assessment against all Owners on the same basis as provided for Annual Assessments; provided, if the damage or destruction involves the common property of either the Villas or the Condominiums, only the Villas or Condominiums shall be subject to the Assessment. Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. Notwithstanding the foregoing, the Association shall only be responsible for repair and reconstruction after casualty for the Villa(s) stucco walls, foundation, fascia, front/side gutters and downspouts which serve same. Such repair and reconstruction shall be a Common Expense against the Villas only.

Section 6. Association's Assumption of Maintenance for the Villas. Beginning with the date on which a certificate is recorded reflecting membership approval, the Association shall assume the following responsibilities with regard to the maintenance, repair and replacement, whether ordinary or extraordinary, and the repair and reconstruction after casualty, for the following unit components only:

- a. Stucco walls
- b. Foundation
- c. Fascia
- d. Front and side gutters and downspouts which serve the same.
- e. Roof Repairs

This Section 6 will also apply retroactively only for that maintenance, repair and replacement and repair and reconstruction after casualty, as to those components which the Association previously undertook the responsibility. The cost of the assumption of responsibility set forth in this Section 6 shall be borne solely by the Villa Unit Owners, and not by the Condominium Unit Owners.

ARTICLE VI COMMON AREAS

Section 1. No Partition. Except as is permitted in the Declaration or Amendments thereto, there shall be no physical partition of the Common Areas or any part thereof, nor shall any person acquiring any interest in the Properties or any part thereof seek any such judicial partition unless the Properties have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Section 2. Title to Common Areas. Title to the Common Areas was conveyed to the

Association at the time the developer turned over the Association to the Members. Notwithstanding the manner in which title is held, the Association shall be responsible for the management, maintenance, and operation of the Common Areas and for the payment of all real estate taxes and other charges which are liens against the Common Areas. The Association assumes all responsibilities under any permits or governmental approvals affecting the Common Areas.

Section 3. Obstruction of Common Areas. No portion of the Common Areas may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association or the Board, who may promulgate Rules and Regulations from time to time, or this Declaration.

Section 4. Assumption of Risk. Without limiting any other provision herein, each person within any portion of the Common Areas accepts and assumes all risk and responsibility for noise, liability, injury, or damage connected with use or occupancy of any portion of such Common Areas including, without limitation, (a) noise from maintenance equipment, (b) use of pesticides, herbicides and fertilizers, (c) view restrictions caused by maturation of trees and shrubbery, (d) reduction in privacy caused by the removal or pruning of shrubbery or trees within any portion of the Common Areas and (e) design of any portion of the Common Areas. The person also expressly indemnifies and agrees to hold harmless the Association and all employees, directors, representatives, officers, agents, contractors and partners of the foregoing, from any and all damages, whether direct or consequential, arising from or related to the person's use of the Common Areas, including for attorneys' fees, paraprofessional fees and costs at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas, including without limitation, any pool, pond, lake or area adjacent to these areas, do so at their own risk. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE COMMON AREAS MAY CONTAIN WILDLIFE INCLUDING, BUT NOT LIMITED TO SUCH SPECIES AS ARMADILLOS, GOPHER TORTOISE, ALLIGATORS, FISH, RACCOONS, DEER, SNAKES AND OTHER REPTILES, FOWL, AND FOXES. THE ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER, TENANT AND HIS OR HER GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

Section 5. Owner's Obligation to Indemnify. Each Owner agrees to indemnify and hold harmless the Association and its officers, directors, agents, employees and contractors (collectively, "Indemnified Parties") against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("Losses") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas, including, without limitation, use of the lake and other water bodies within the Property by Owners, Occupants, tenants and their guests, family members, invitees, or agents, or the interpretation of this Declaration and/or exhibits attached hereto and/or from any act or omission of the Association, or of any of the Indemnified Parties. Should any Owner bring suit against the Association or any

of the Indemnified Parties for any claim or matter and fail to obtain Judgment therein against such Indemnified Parties, such Owner shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal and in the collection of attorneys' fees and paraprofessional fees.

Section 6. Burden upon the Property. It is hereby declared that this Declaration and the covenants, restrictions and easements established herein shall be covenants to run with the land, and shall inure to the benefit of, and be binding upon, each and every Owner and his or her respective heirs, representatives, successors, purchasers, lessees, grantees and mortgagees. By the recording or acceptance of the conveyance of a Unit or any interest therein, the person or entity to whom such interest is conveyed shall be deemed to accept and agree to be bound by the provisions of this Declaration and the Bylaws of the Association.

Section 7. No Severability of Rights. The rights, liabilities and obligations set forth herein shall attach to and run with the ownership of any portion of the Property as more specifically set forth herein and may not be severed or alienated from such ownership. The transfer of the fee title to a Unit, whether voluntary or by operation of law, terminating the Owner's title to that Unit shall terminate the Owner's rights to the use of and enjoyment of the Common Areas as it pertains to that Unit. An Owner's rights and privileges under this Declaration are not assignable separately from a Unit.

Section 8. Waiver of Use. No Owner may exempt himself from personal liability for assessments duly levied by the Association. No Owner may release the Unit owned by him from the liens and charges hereof, by waiver of the use and enjoyment of the Common Areas and the facilities thereon or by abandonment of his Unit.

Section 9. Default by Another Owner. No default by any Owner in the performance of the covenants and promises contained in this Declaration or by any person using the Common Areas or any other act of omission by any of them shall be construed, or considered (a) a breach by Association or a non-defaulting Owner or other person or entity of any of their promises or covenants in this Declaration; or (b) an actual, implied or constructive dispossession of another Owner from the Common Areas; or (c) an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

Section 10. Waterbodies. BY ACCEPTANCE OF A DEED TO A UNIT OR LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL WATERBODIES MAY VARY. THERE IS NO GUARANTEE BY THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME. AT TIMES, WATER LEVELS MAY BE NON-EXISTENT. The Association shall not be obligated to erect fences, gates, or walls around or adjacent to any waterbody within The Lexington Club. No fence or other structure may be placed within any lake maintenance easement. Swimming and/or boating will not be permitted in any waterbody. No private docks may be erected within any waterbody forming part of the Common Areas.

ARTICLE VII CONDEMNATION

Whenever all or any part of the Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of all Owners) by any authority having the power of condemnation or eminent domain, each owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as Trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then if a majority of the Board of Directors and the Voting Members representing at least seventy-five percent (75%) of the total votes of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available therefore, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article V hereof regarding the disbursement of funds in respect to casualty damage or destruction of which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

ARTICLE VIII EASEMENTS

Section 1. Access Easements. All Owners, by accepting title to Units conveyed subject to this Declaration, waive all rights of uncontrolled and unlimited access, ingress and egress to and from such Unit and acknowledge and agree that such access, ingress and egress shall be limited to roads, walkways, paths, sidewalks and other Common Areas located within the Property, from time to time for such purposes, provided that pedestrian and vehicular access to and from all Units shall be provided at all times

Section 2. Permits, Licenses and Easements. The Association shall have the right to grant, modify, amend and terminate permits, licenses and easements over, upon, across, under and through the Common Areas of the Property (including Units) for telecommunications systems, utilities, roads and other purposes reasonably necessary or useful as it determines, in its sole discretion. To the extent legally required, each Owner shall be deemed to have granted to the Association irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

Section 3. Appurtenant Easements.

A. Any such agreement shall require the approval of the majority of the Board of Directors.

ARTICLE X ASSESSMENTS

Section 1. Creation of Assessments. There are hereby created Assessments for Common Expenses as may be from time to time specifically authorized by the Board of Directors to be commenced at the time and in the manner set forth in the Declaration and Bylaws of the Association. Assessments shall be allocated equally for all Units unless otherwise specifically set forth in this Declaration or as provided by law.

Condominium Assessments or Villa Assessments shall be levied against Units in particular portions of the properties for whose benefit Common Expenses are incurred which benefit less than the Association as a whole. Each Owner, by acceptance of his or her deed or recorded contract of sale, is deemed to covenant and agree to pay these Assessments. All such Assessments, together with interest and late fees at the maximum rate allowed by law as computed for the date of delinquency first occurs, costs, and reasonable attorney's and paralegal's fees, shall be a charge on the land and shall be a continuing Lien against the Unit against which each Assessment is made.

Section 2. Computation of Assessments. It shall be the duty of the board, at least sixty (60) days before the beginning of the fiscal year and thirty (30) days prior to the meeting at which the budget shall be presented to the Voting Members, to prepare a budget covering the estimated costs of operating the Association during the coming year. The budget shall include a Capital Contribution establishing a Reserve Fund in accordance with the capital budget separately prepared and shall separately list Condominium, Villa and General expenses. The Board shall cause a copy of the budget, and the amount of the Assessments to be levied against each Unit for the following year to be delivered to each Owner at least fifteen (15) days prior to the meeting. The budget and the Assessment shall become effective unless disapproved at the meeting by a vote of the Voting Members representing at least a majority of the total Members of the Association.

Notwithstanding the foregoing, in the event the proposed budget is disapproved or the

Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year subject to a maximum five percent (5%) increase in each line item of the preceding year's budget. The Board of Directors shall fix the amount of the Common Assessment against each Owner at least thirty (30) days in advance of each Annual Assessment

Section 3. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Unit by acceptance of a deed or other conveyance thereof, whether or not it shall be so expressed in such deed or conveyance, is deemed to covenant and agree to pay to the Association (i) Annual Assessments, such Assessments to be established and collected as provided in Section 3 hereof, (ii) Special Assessments, such Assessments to be established and collected as provided in Section 4 hereof, (iii) Individual Assessments against any particular Unit which are established pursuant to the terms of this Declaration as provided in Section 5 hereof, (iv) Reserves as established and collected as provided in Section 6 hereof, and (iv) any other Assessment. Any such Assessment shall be a charge and a continuing lien upon the Unit, the Owner or Occupant of which is responsible for payment. Non-payment or late payment of such an Assessment, ten days after it is due, is subject to Simple Interest charged at the rate of eighteen percent (18%) per annum, or the highest rate allowed by Florida law as such may change from time to time, whichever is greater, and also late fees in an amount as may be determined by the Board from time to time and any court costs and attorneys' fees incurred to enforce or collect such Assessment. Each Owner shall be personally liable for Assessments coming due while he or she is the Owner of a Unit, and his or her grantee shall take title to such Unit subject to the charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his or her grantor any amounts paid by such grantee therefor. Any purchaser of a Unit through a Foreclosure sale shall thereafter be subject to all future Assessments and shall be responsible for any unpaid prior Assessments and all other sums due, which sums including fines, legal fees, interest, late fees, and costs for repairs, which are hereby counted as Assessments, to the maximum extent permitted by Florida law. In the event of co-ownership of any Unit, all of such co-owners shall be jointly and severally liable for the entire amount of such Assessments and shall pay in such manner and on such dates as may be fixed by the Board of Directors, time being of the essence, provided that unless otherwise provided by the Board, the Annual Assessments shall be paid in quarterly installments.

Section 4. Special Assessments. In addition to the Annual Assessments authorized above, the Association, acting through its Board of Directors, may levy, in any Assessment year, Special assessments for the purpose of defraying, in whole or in part, expenses which exceeded, or when mature will exceed, the budget prepared and on which the Annual Assessment was based, applicable to that year only (a "Special Assessment"). These expenses include but are not limited to capital improvements, major repairs, emergency repairs or replacement of the Common Areas, and non-recurring expenses. The Board of Directors may make such Special Assessments payable in installments over a period which may, at the Board's discretion, extend in excess of the calendar year in which adopted. The Association may also levy a Special Assessment against the Condominium Association to reimburse the Association for costs incurred in bringing the Condominium Association into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the Bylaws, and the Association Rules and Regulations, which Special Assessment may be levied upon the vote of the Board after notice to the senior officer thereof and an opportunity for a hearing.

Section 5. Individual Assessments. Assessments for which one or more Owners (but less than all Owners within The Lexington Club) is subject ("Individual Assessments") such as costs of special services provided to a Unit or Owner or cost relating to enforcement of the provisions of this Declaration or the architectural provisions hereof as it relates to a particular Owner or Unit. By way of example, and not of limitation, all of the Owners within the Condominiums may be subject to Individual Assessments for maintenance, repair and/or replacement of facilities serving only the residents of such Condominiums. Further, in the event an Owner fails to maintain the exterior of his Unit (other than those portions of a Unit maintained by the Association) in a manner satisfactory to Association, the Association shall have the right, through its agents and employees, to enter upon the Unit and to repair, restore, and maintain the Unit as required by this Declaration. The cost thereof, plus the reasonable administrative expenses of Association, shall be an Individual Assessment. The Board of Directors may also levy against an Owner or tenant any damage or costs incurred by the Association arising out of the negligent or willful misconduct of the Owner, tenant and/or family members, guests or invitees of an Owner or tenant and any other lienable charge against a specific Owner as reserved in this Declaration. In addition, the expense of any maintenance, repair or construction of any portion of the Common Areas necessitated by the negligent or willful acts of an Owner or persons utilizing the Common Areas, through or under an Owner, shall be borne solely by such Owner and the Unit owned by that Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas without the prior written approval of Association. As a further example, if one or more Owners receive optional telecommunications services such as toll calls, cable services, and/or data transmission services, and Association pays a telecommunications provider for such services, then the costs of such services shall be an Individual Assessment as to each Owner receiving such services. The Individual Assessments provided for in this Section shall be levied by the Board of Directors. The amount and due date of such Assessments shall be within fifteen (15) days of receipt of a ledger reflecting the amount owed, or as otherwise specified by the Board of Directors. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

Section 6. Reserves. Assessments of any kind for the creation of reasonable Reserves for any of the aforesaid purposes. The Board of Directors shall annually prepare a capital budget, which shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost (hereinafter "Reserves"). The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect both to amount and timing by annual assessments over the period of the budget. The capital contribution required shall be fixed by the Board and included and distributed within the budget and assessment. Assessments pursuant to this Section shall be payable in such manner and at such times as determined by Association and may be payable in installments extending beyond the fiscal year in which the Reserves are approved. Any Reserve Funds established by the Association from time to time shall be used only for the purpose originally reserved for in the Association budget and may not be used by the Association for any other purpose, unless such other purpose is approved by a majority vote of all votes in the Association. Notwithstanding the foregoing, the Board of Directors of the Association shall have the authority to utilize up to twenty percent (20%) of the amount reserved

in any particular Reserve Fund for another capital purpose without the vote or the approval of the Owners. For example, the Board of Directors would have authority to use up to twenty percent (20%) of the amounts reserved for road repairs for a drainage repair without requiring a vote of the Owners. However, the Board of Directors shall not have the authority to use the Reserve Funds for Operating Expenses, or for any other purpose except upon the required vote of the Owners.

Section 7. Use Fees. Any specific fees, dues or charges to be paid by Owners for any special services provided to or for the benefit of an Owner or Unit, for any special or personal use of the Common Areas, or to reimburse Association for the expenses incurred in connection with that service or use (hereinafter "Use Fees").

Section 8. Resale Capital Contribution. The Association may establish a Resale Capital Contribution ("Resale Capital Contribution"). There shall be collected upon every conveyance of an ownership interest in a Unit by an Owner an amount payable to the Association. The amount of the Resale Capital Contribution and the manner of payment shall be determined by resolution of the Board from time to time; provided, however, all Units shall be assessed a uniform amount.

Section 9. Liens. All sums assessed against any Unit pursuant to this Declaration, together with court costs, reasonable attorneys' fees, paralegals' fees, late charges and interest as provided herein, shall be secured by an equitable charge and continuing lien on such Unit in favor of the Association. Such liens shall be superior to all other liens and encumbrances on such Unit except only for (i) liens of ad valorem taxes, and (ii) liens for all sums unpaid on an Institutional Mortgage, except to the extent Mortgagees can be made liable for Assessments pursuant to Florida law, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such Instrument. Notwithstanding the foregoing to the contrary, the subordination of Assessments to the lien of such Mortgages shall only apply to such Assessments which have become due and payable prior to a Foreclosure, and then only to the extent Mortgagees cannot be made liable for such prior Assessments pursuant to Florida law. All other persons acquiring liens or encumbrances on any Unit after the recording of the original Declaration shall be deemed to have consented that such liens or encumbrances shall be inferior to future liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

Section 10. Effect of Nonpayment, Remedies of the Association. Any Assessment of an Owner or any portion thereof which is not paid when due shall be delinquent. Time for payment of any Assessment shall be of the essence. Any Assessment delinquent for a period of more than ten (10) days after the date when due shall incur a late charge in an amount as may be determined by the Board from time to time and shall also accrue simple interest at the rate of eighteen percent (18%) per annum, or the highest rate permissible by Florida law, which may be amended from time to time. A lien and equitable charge as herein provided for each Assessment shall attach simultaneously as the same shall become due and payable, and if any installment of the Assessment for such year has not been paid within thirty (30) days, the entire unpaid balance of the Annual Assessment or any Special Assessment payable in installments may be accelerated at the option of the Board and be declared immediately due and payable in full. The continuing lien and equitable charge of such Assessment shall include the late charge established by the Board of Directors, interest on the principal amount due at the rate of eighteen percent (18%) per annum or the highest amount permissible by Florida law, all costs of collection (including reasonable attorneys' fees and

court costs), and any other amounts provided or permitted hereunder or by law. Unless otherwise provided by law, in the event that the Assessment remains unpaid after proper notice as required under Florida law, the Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. The equitable charge and lien provided for in this Article shall be in favor of the Association, and each Owner, by his acceptance of a deed or other conveyance to a Unit, vests in the Association and its agents the right and power to bring all actions against him personally for the collection of such Assessments as a debt and/or to foreclose the aforesaid lien in the same manner as other liens for the Improvement of real property. The Association shall have the power to bid on the Unit at any Foreclosure sale and to acquire, hold, lease, mortgage and convey the same.

No Owner may waive or otherwise escape liability for the Assessments provided for herein, including by way of illustration but not limitation, non-use of the Common Areas or abandonment of his Unit, and an Owner shall remain personally liable for Assessments, interest and late charges which accrue prior to a sale, transfer or other conveyance of his Unit. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of Assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association or from any action taken to comply with any law, ordinance, or with any order or directive of the County or other governmental authority.

Section 11. Surplus Assessments. Any surplus Assessments collected by Association may be (i) allocated towards the next year's Operating Costs, (ii) used to fund Reserves, whether or not budgeted, (iii) retained by Association, and/or (iv) used for any other purpose, in the Board's sole and absolute discretion. Under no circumstances shall the Association be required to pay surplus Assessments to Owners.

Section 12. Exempt Property. Notwithstanding anything to the contrary herein, the following property shall be exempt from payment of Annual Assessments, Condominium Assessments, Villa Assessments and Special Assessments:

- (a) all Common Area; and
- (b) all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets, and public parks.

Section 13. Assessment Estoppel Certificates. No Owner shall sell or convey his interest in a Unit unless all sums due the Association have been paid in full and an Estoppel certificate in recordable form shall have been received by such Owner. The Association shall provide a certificate stating whether all assessments and other monies owed to the Association by the Owner with respect to the Unit have been paid within ten (10) business days after receiving a written or electronic request by an Owner, an Owner's designee, mortgagee or a Unit mortgagee's designee. Any person other than the Owner who relies upon such certificate shall be protected thereby. The estoppel certificate must contain all of the information and shall be in a format as provided by Florida Statutes, as amended from time to time. An association or its authorized agent may charge

a reasonable fee for the preparation and delivery of an estoppel certificate in such maximum amounts as provided by Florida Statutes, as amended from time to time.

Section 14. Payment of Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Unit which, if not paid, could become a lien against the Unit which may or may not be superior to the lien for Assessments created by this Declaration.

Section 15. Accounting and Commingling of Funds. The Board of Directors shall deposit all monies collected as Assessments in one or more accounts as it shall elect. Maintenance funds collected by Common Assessments may, at the Board's discretion, include monies for a Common Areas reserve fund for the replacement, repair, painting, resurfacing and other maintenance of the Common Areas, to the extent necessary under the provisions of this Declaration. The Board of Directors may commingle any amount deposited for such purposes with other funds received by it for investment purposes only but must maintain separate ledgers.

ARTICLE XI ARCHITECTURAL STANDARDS

Section 1. Architectural Standards. The Architectural Review Committee (ARC) shall be composed of Unit Owners appointed by the Board of Directors. In the event an ARC is not appointed, the Board of Directors shall establish the ARC. The Architectural Review Committee shall have jurisdiction over requests for modifications, additions or alterations to existing Units. Plans and specifications showing the nature, kind, shape, color, size, materials and location of the modification, addition, or alteration shall be submitted to the Architectural Review Committee by the Unit Owner. In determining approval or disapproval of the request by the Unit Owner for modification, addition or alteration, the Architectural Review Committee shall take into account quality of workmanship, design and harmony of external features of the modifications, additions or alterations with the surrounding Units, structures, topography and delegation. The request shall then be researched and studied by the Members of the Architectural Review Committee who shall then make a recommendation on each individual request for modifications, additions or alterations which recommendation shall be forwarded on to the Board of Directors immediately for their decision which shall be the sole binding authority on all requests for modifications, additions or alterations by Unit Owners. The Board of Directors shall be guided by Architectural Standards as produced and modified by time to time by the Association. Simply stated, anything on, in or around any Unit which is visible to other residents or passerby, is subject to the approval of the Board of Directors, which approval shall not be unreasonably withheld.

In accordance with the Association's Bylaws, failure to obtain such approval may result in the imposition of monetary fines and the commencement of such legal proceedings as may be necessary and appropriate including, but not limited to an action to compel the removal of an unapproved installation.

The process for obtaining approval requires that the Unit Owner make application and submit a copy of all pertinent plans, specifications, blueprints, etc., showing the nature, kind, shape, color, size, materials and location of the modification together with the name, address, and

telephone number of the proposed contractor and such other information as the Architectural Review Committee may request. The Board of Directors will consider the application and give written notice of its decision within forty-five (45) days of its receipt of all required information. Failure of the Board of Directors to act within said forty-five (45) day period shall constitute approval.

Even if approval for a project is granted by the Board of Directors, the Unit Owner remains responsible for ensuring that any construction remains in compliance with all applicable building, zoning, health, fire and safety codes. The Unit Owner will be responsible for any damage to the Common Areas caused by his/her contractors, agents, employees, etc. in the course of installation or construction. In this regard, the Unit Owners are required to use appropriate licenses and insured persons where applicable.

Section 2. No Waiver of Future Approvals. The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARC, shall not be deemed to constitute a waiver of any right to withhold approval or consent, as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

ARTICLE XII USE RESTRICTIONS

The property shall be used only for residential, recreational, and related purposes as may more particularly be set forth in this Declaration and Amendments thereto. The Association, acting through the Board of Directors, shall have the power to enforce use restrictions contained in the Condominium Declaration as if such provisions were a regulation of the Association. All provisions of this Declaration and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of owners and which provide for sanctions against Owners shall also apply to all occupants of any unit.

The Association, acting through its Board of Directors, shall have authority to make and to enforce Rules and Regulations, standards and restrictions governing the use of Units and Common Areas, including common property of the Condominiums, in addition to those contained herein, and to impose reasonable user fees for facilities, including, but not limited to the vehicle storage areas, pathways systems, swimming pools, tennis courts, community center and parking facilities, if any. Such Rules and Regulations and use restrictions shall be binding upon all Owners and occupants until and unless overruled, canceled or modified at a regular or Special Meeting of the Association by Voting Members representing a majority of the Members or by the Board of Directors.

The Condominium Declaration may impose stricter standards than those contained in this article. The Association, acting through its Board of Directors, shall have the power to enforce such standards.

All of the restrictions, requirements and obligations set forth in this Article shall apply to the Villas and Condominiums and to their Common Areas, Common Elements (and all improvements thereto) and their uses of all or any portions of the Property. Accordingly, the term Owner as used in this Article shall be deemed to include the Condominium Owners (even if it does not hold legal title to its Common Areas or Common Elements), the terms Lot and Unit, only for the purpose of application of this Article, shall be deemed to include the Villas and the Condominium Common Areas or Common Elements (and all improvements thereto) and references to activities or practices of Owners shall be deemed to include activities or practices of the Villas or Condominiums (regardless of where same occur).

Section 1. Occupancy of Units. Each Unit shall be used as a single-family residence only and no more than two (2) persons per bedroom shall be allowed to permanently reside in any one Unit. The use of a portion of a Unit as an office by an Owner or his tenant shall be allowed if such use does not create regular customer, client or employee traffic. Each Owner or Lessee, as applicable, shall notify the Association of any periods of time during which the Unit becomes unoccupied. As used only in this section, the term, "unoccupied" is defined to mean any intended absence of all permanent residents of the Unit, for a period in excess of thirty (30) days and shall also notify the Association upon their return. In the event a unit is left "unoccupied", said Owner or resident shall follow proper check-out procedures as promulgated by the Board of Directors from time to time including having the Unit inspected once every two-week period of vacancy by a person designated by the Owner or Resident for such purposes. The name and contact information of the designated party should be given to the Association for purposes of an emergency. In addition, the Association must be given a key to each Unit and a car key shall be left with the Association or in the interior of the Unit if a vehicle will be left on Association Property during periods in which a Unit is unoccupied and the water shall be shut off at the valve.

Section 2. Occupancy of Units Pursuant to the Fair Housing Act. The Fair Housing Amendments act of 1988 (Public Law 100-430, approved September 13, 1988) ("Fair Housing Act"), which became effective in March 1989, and as amended effective December 31, 1995, provides that communities cannot reject families with children. However, the Fair Housing Act provides that a community is exempt from this prohibition if (a) at least eighty percent (80%) of the Units are occupied by at least one (1) person fifty-five (55) years of age or older per Unit; and (b) the community has published and adheres to policies and procedures which demonstrate an intent by the Association to provide housing for persons fifty-five (55) years of age or older (hereinafter collectively referred to as the "Requirements for Exemption"). For so long as such provisions of the Fair Housing Act are in effect, the Association intends that The Lexington Club will be a community which falls within this exemption to the Fair Housing Act (the "Exemption") and may therefore prohibit families with children nineteen (19) years of age or younger from residing in The Lexington Club. Therefore, for so long as such provisions of the Fair Housing Act are in effect, except as hereinafter provided, (i) at least one occupant in each Unit in The Lexington Club must be at least fifty-five (55) years of age or older, except as hereinafter set forth; and (ii) the Association must publish and adhere to policies and procedures which demonstrate an intent by the Association to provide housing for persons fifty-five (55) years of age or older.

Section 3. Board Discretion. The requirements for exemption contemplate that up to twenty percent (20%) of the Units may be occupied by persons all of whom are under the age of

fifty-five (55) without loss of exemption. Accordingly, the Board, upon application by an Owner, tenant, purchaser or proposed lessee, shall have absolute discretion to allow a Unit to be occupied only by individuals under the age of fifty-five (55) based upon criteria that the Board shall determine, which criteria shall include, by way of example and not of limitation, information then known to the Board concerning potential or pending changes in occupancy of other Units in The Lexington Club, if any, due to known adverse medical conditions or domestic relations and the ages of any likely remaining occupants of such Units; other known prospective changes in occupancy of Units for whatever reasons; proximity to age fifty-five (55) of those occupants of other Units in The Lexington Club then under such age; and any other information known to and deemed relevant by the Board in carrying out its duty to monitor and control the percentage of the Units becoming occupied only by persons under the age of fifty-five (55). However, for so long as the age provisions of the Fair Housing Act are in effect, the Board shall comply with the Requirements for Exemption, including but not limited to, insuring that not more than twenty percent (20%) of the Units in The Lexington Club are occupied only by individuals under the age of fifty-five (55).

Section 4. Board Responsibility. It shall be the responsibility of the Board to monitor the percentage of Units with occupants all of whom are under the age of fifty-five (55) to ensure that the Board does not permit more than twenty percent (20%) of the Units in The Lexington Club to be occupied only by persons under the age of fifty-five (55). The Board shall have the right to promulgate rules and regulations necessary to comply with the Requirements for Exemption so that the provisions of subparagraph 6 hereof limiting the number of days that children nineteen (19) years of age or younger may stay in a Unit are enforceable. The Board shall also be responsible for complying with the provisions of Section 760.29 (e), Florida Statutes, regarding registration of The Lexington Club with the Florida Commission on Human Relations and submitting a letter to said commission regarding The Lexington Club's compliance with said Section 760.29, Florida Statutes, as amended from time to time.

Section 5. Owner Responsibility. No Owner may lease or sell his Unit unless at least one of the intended occupants is fifty-five (55) years of age or older at the time of the occupancy, and such Owner shall submit an age-verification form to the Association prior to the effective date of such transfer which sets forth the ages of the intended occupants. The Board, however, shall have the right, in its sole discretion, to waive this requirement based upon criteria in accordance with the provisions set forth in subsequent paragraphs hereof, but not if more than twenty (20%) percent of the Units will not have at least one (1) occupant fifty-five (55) years of age or older. In the event there is a change in the occupants of the Unit (e.g. a death or a divorce) so that at least one (1) of the occupants is no longer fifty-five (55) years of age or older, the Owner must immediately notify the Association of said change in writing.

Section 6. Children. No Unit may be occupied by any person under sixteen (16) years of age, excepting any relative (child, grandchild, niece, nephew, brother or sister) of an Owner under sixteen (16) years of age may be permitted to visit for reasonable periods not to exceed three (3) consecutive weeks and not to exceed a maximum of eight (8) weeks in any calendar year. In addition, any such visitor under sixteen (16) years of age may only use the residence in accordance with and subject to rules and regulations concerning such use as may be established by the Association.

Section 7. Signs. No sign of any kind shall be erected by an owner within the properties, without the written consent of the Board of Directors. Name signs shall be permitted but must be approved by the Board in advance. The Board of Directors or its agents shall have the right to erect signs only for purposes of managing the Association.

Section 8. Vehicle and Parking Restrictions. Owners and occupants shall park only in the garages or in the driveway serving their Unit or appropriate spaces or designated areas in which parking may or may not be assigned and then subject to such reasonable rules and regulations as the Board of Directors may adopt. Residents shall obtain a motor vehicle identification sticker form from The Lexington Club office within seven (7) days following the commencement of residency. The sticker(s) is to be affixed by the Lexington Club office staff to the lower left rear bumper of the vehicle. All registered cars must be properly registered and insured. Guest parking should only be used by Owners or occupants in the event each of their designated driveway, garage and assigned spaces are already in use. No vehicles of any nature shall be parked on any portion of The Lexington Club or a Lot except on the surfaced parking area thereof. Furthermore, the Lexington Clubhouse parking lot is not to be used for overnight parking. Owners and occupants of Lots may not park, store or keep such vehicles on adjacent roads and streets. No garage may be altered in any such a manner that the number of automobiles which may reasonably be parked there after such alteration is less than the number of automobiles that could have reasonably been parked in the garage as originally constructed.

The Board of Directors shall have the absolute discretion to determine that any vehicle is not in conformance with the overall appearance of the community or with the provisions herein contained. The Board of Directors may grant exception to the above restrictions for fair housing purposes. The Board may adopt reasonable rules and regulations in regard to this Section which may be changed from time to time as the Board deems necessary.

Commercial vehicles, containing any lettering or advertising on such vehicles are not permitted, except they may be parked briefly for delivery and service purposes only. For any Owner who drives an automobile issued by the County or other governmental entity (i.e. police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage, driveway of their Unit, or in an assigned or guest parking space as applicable. Residential, class 2 pick-up trucks, 1 ton or smaller, with a properly covered bed, no ladder or ladder racks, no signs and no visible storage shall be permitted.

Aides and/or service personnel must be registered in the Lexington Club office and are required to use the visitor gate entrance. Gate cards shall not be provided to anyone other than a family member, however, on a limited time and controlled basis, certain personnel may be issued a temporary gate card.

D. Parking in the Roadways. Parking on the roadways is only allowed in the Villages, and only on the outgoing side of the Village. No parking is allowed within five (5) feet of a driveway. No cars may be parked on the roads after 2:00 am without prior notification to the Association security personnel, if any, and then only on a temporary basis. In the event any vehicle is improperly parked in the Association in violation of this Section or the Rules and Regulations, the Association (or at the Association's direction a towing company) may enter the Lot or the Common Areas and remove the vehicle and assess all costs incurred by the Association for such removal against the Unit and the Owner responsible for the parking of the vehicle on the Association, and such assessment shall become a lien on the Unit. The Association and its officers, directors, agents, and employees, shall not be liable to the vehicle's owner or any other person or entity or any property Owner for trespass, conversion, property damage, other damage or cost or expense, nor guilty of any criminal act, by reason of such towing. Once the notice is posted on the vehicle or personally served to the Owner of the property upon which the vehicle is parked, neither its removal, nor failure of the owner to receive such notice for any other reason, shall be grounds for relief of any kind against the Association. An affidavit of the person posting the aforesaid notice stating that it was properly posted shall be conclusive evidence of proper posting. For purposes of this paragraph, a "vehicle" shall also mean vans, campers, recreational vehicles, mobile units, commercial vehicles and trailers.

Pets are permitted to be harbored with the permission of the Board of Directors. Such permission in one instance shall not be deemed blanket permission in any other instance and any such permission may be revoked at any time at the sole discretion of the Board of Directors who may, in their discretion, promulgate such Rules & Regulations from time to time concerning the harboring of pets. Breeding or raising of any animal(s) or pet(s) including ordinary household pets for any commercial purposes whatsoever within the community is prohibited.

B. Animals in Public Areas. In no event shall pets or animals be permitted in any of the

Only licensed service animals displaying proper identification and badges as defined by Florida Statute shall be permitted within the clubhouse, fitness center, pool area, or the tennis courts.

C. Nuisance Animals. If any animal becomes a nuisance to other residents by barking or otherwise, the Unit Owner must cause the problem to be corrected within forty-eight (48) hours; and if not corrected within forty-eight (48) hours, the Unit Owner, upon written notice from the Association will be required to remove their animal from the Lexington Club. The resident must assure that pets do not create a nuisance or unreasonable disturbances.

Keeping of a dog or other domestic pet at the Lexington Club is not the right of a resident but is a conditional license, which is subject to termination, at any time by the Board of Directors upon finding that a dog or other pet is vicious or is annoying to other residents or has in any way become a nuisance. Animal excrement shall immediately be removed and deposited in a properly enclosed trash receptacle at the Owner's Unit or deposited in a waste matter receptacle on Association Property designated for such purpose. Storm drains and sewers are not to be used as waste matter receptacles. Failure to comply with this condition shall lead to proceedings to remove the animal from the Lexington Club. An Owner/resident desiring to maintain an emotional support/service animal must obtain application materials from the board (if available) and must obtain the approval of the Board prior to bringing the animal onto Association Property.

Resolutions to conflict between humans and wild animals will first be attempted using non-lethal means, except under extreme and immediate circumstances where human safety or the safety of a companion animal is imminently threatened. Wildlife control, including nonlethal actions, will not be conducted simply because an Occupant considers the mere presence of a wild animal to be a "pest" or "nuisance." The approach to wildlife conflict resolution will follow a series of steps, including (a) the conflict is identified, (b) the species causing it is determined and, if possible, the individual animal is identified, (c) methods to resolve the conflict ranging from least to most invasive and injurious are identified, and (d) an action plan that ensures the least injurious and invasive approach suitable is evaluated and undertaken before other measures are considered. Occupants shall attempt to resolve human-wildlife conflicts by changing human practices (such as trash management and securing stored food), modifying habitats (changing plantings or managing landscapes), and/or structural modifications (fencing or other methods to exclude animals). Nests of native or migratory birds will not be taken, moved or interfered with in any manner as stipulated under applicable state and federal law. No wild animal den or nest of unprotected bird species may be disturbed, moved, or altered except as part of a planned conflict abatement program, or under compelling circumstances of human health, safety, or security needs. Young may not be taken or moved from dens or nests but shall be allowed to mature until they naturally disperse.

No Unit Owner/Occupant shall play (or permit to be played, in his Unit or in the Limited Common Elements or Common Elements) any musical instrument, television, radio or the like in

In the interest of protecting homeowners and their families, preserving property values, and enhancing the quality of life within the community, this Section 40 shall govern rental agreements between Owners and Tenants of homes within The Lexington Club. Nothing in this policy is intended to act to discriminate against any protected class, to wrongfully deprive anyone of housing or to violate any provision of the Fair Housing Act (FHA).

The Board, or its designee, shall have the power to deny tenants on the basis of criminal background checks and/or credit checks. The Board or its designee shall analyze criminal background checks

5. Unapproved Transfers. Any Transfer which is not approved, or which disapproved pursuant to the terms of this Declaration, shall be void unless subsequently approved in writing by the Board of Directors. The Association shall have the right to remove any occupant(s) and personal belongings by injunctive relief or by other means provided in this Declaration should this Section 40 be violated.

6. Application Form. The Association vested with the authority to prescribe an application form such as may require specific personal, social, financial, and other data relating to the intended lessee(s), and occupants, as may reasonably be required by the Association in order to enable the Association to reasonably investigate the intended lessee(s), and occupants within the time limits extended to the Association for that purpose as set forth in this Section 40. The application shall be complete and submitted to the Association along with and as an integral part of the notice of intended Transfer.

7. Transfer Fee. The Board of Directors is empowered to charge a fee in connection with and as a condition for the approvals set forth in this Section 40; in an amount not to exceed the maximum allowed by applicable law from time to time. 2. The parties recognize that the Association, as agents for the landlord/Owner, has the power to evict the tenants and occupants under Chapter 83, Florida Statutes, for violations of the Association Documents and reasonable Rules and Regulations, as amended from time to time. In the event that any tenant(s) of any Unit is in violation of any provision contained in the Association's governing documents, or any laws or ordinances, the Association shall have the right to evict the tenant(s) as if the Association were the landlord under such lease and levy an Individual Assessment against the Owner and Unit. In the event that the Association initiates eviction proceedings, the Owner of the Unit that is the subject of the eviction proceedings shall be liable to the Association for all attorney's fees and costs related to such eviction proceedings, and any unpaid attorney's fees and costs shall be levied against the Owner and Unit as an Individual Assessment and shall be a lien upon the Owner's Unit.

3. Subleasing; Renting Rooms. Subleasing of a Unit shall be absolutely prohibited without the express written approval of the Board. Furthermore, no rooms shall be rented in any Unit. No transient tenants may be in a Unit and the use of Airbnb and other similar type of websites are strictly prohibited if used to advertise the Unit for Lease for any duration less than what is permitted by the Association's Rules and Regulations. No timeshare or any other similar agreement is permitted.

4. Limitation on Lessee. Leasing shall be limited to a natural or natural person in his/their individual capacity/capacities only, such that no Unit shall be leased to a corporation, partnership, trust, trustee or commercial organization. Notwithstanding anything in the Declaration of Covenants, Conditions and Restrictions, the Association's Bylaws, Articles of Incorporation and Rules and Regulations to the contrary, no Unit may be leased by an Owner prior to twelve (12) months from the date of obtaining ownership of the Unit by such Owner. In all other instances, leasing shall be permitted in accordance with the other provisions of this Declaration only upon the expiration of said twelve (12) months of ownership, which for the purposes of this provision shall consist of twelve (12) consecutive months of record title ownership. Any Owner that owns a Unit as of the effective date of this amendment and any institutional first mortgagee that holds a mortgage on a Unit as of the effective date of the amendment shall be deemed to have satisfied the twelve (12) month ownership. The Board shall have the sole discretion to waive this

leasing restriction prior to the expiration of the twelve (12) month ownership period in cases resulting in undue hardship to the Owner. Such waiver shall not constitute a waiver of any rights against the Owner thereafter or against any other Owner.

7. Association's Limit on Rental Units. The Association sets the maximum number of Rentals permitted at any point in time to be fifteen percent (15%) of the units in the Association as a whole. The Board of Directors shall be permitted to promulgate reasonable Rules and Regulations regarding this provision.

8. Governing Documents. It is the Owner's responsibility to make available to the lessee or occupants copies of all Association Documents including Rules & Regulations of the Association.

Section 41. Sales. In order to maintain a community of congenial, financially responsible residents with the objectives of protecting the value of the Units, inhibiting transiency, and facilitating the development of a stable, quiet community and peace of mind for all residents, the transfer of the ownership of a Unit shall be subject to the following provisions so long as the Association exists which provisions each Owner of a Unit agrees to observe.

A. Estoppel Certificate. No Owner shall sell or convey its interest in a Unit unless all sums due the Association have been paid in full and an Estoppel certificate shall have been received by such Owner. Within ten (10) business days of a written request thereof, the Board of Directors shall furnish to an Owner an Estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount which is due as of any date as well as any other information as may be required by law from time to time. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the Estoppel certificate shall be required to pay the Association's reasonable sum to cover the costs of examining the records and preparing such Estoppel certificate, which maximum amount shall be determined by law as amended from time to time.

B. Right of First Refusal. Association to have first right of refusal.

The foregoing is sometimes referred to in this Section 41 as a "Transfer".

D. Procedures.

1. Notice to Association.

i. Sale or Gift. The Association shall have the option to purchase said Unit, upon the same terms and conditions as offered by the Unit Owner to any third person. iii. Failure to Give Notice. If no notice is given, the Board of Directors, at its election, may approve or disapprove at the time it learns of the transfer. If any Owner fails to obtain the Association's approval prior to selling an interest in a Unit, or making a gift of the Unit, such failure shall create a rebuttable presumption that the seller and the purchase, or Owner making the gift, intend to violate the covenants of this Declaration, and shall constitute good cause for the Association disapproval.

2. Approval. Within thirty (30) days of receipt of the required notice, transfer fee, personal appearances and information requested, the Board shall approve or disapprove the transfer. If a transfer is approved, the approval shall be stated in a Certificate of Approval executed by an officer of the Association in recordable form and delivered to the transferee. If the transfer is disapproved without good cause, the Association shall deliver by written notice, the name of one or more persons other than Unit Owners, or any other person(s) satisfactory to the Board of Directors of the Association who are willing to purchase upon the terms as those specified in the Unit Owner's notice. The furnished purchaser shall have thirty (30) days subsequent to the date of his approval within which to complete the sale. If the Board neither approves nor disapproves within this thirty (30) day time limit, such failure to act shall be deemed the equivalent of approval to the transferee.

3. Disapproval.

(a) A proposed Transfer shall be disapproved only if a majority of the whole Board so votes, and in such case the Transfer shall not be made. The Board, or its designee, shall have the power to deny prospective purchasers or occupants on the basis of criminal background checks. The Board or its designee shall analyze criminal background checks based on a case by case basis and make a decision regarding the timeline, nature, and severity of the crime as well as the level of threat to the Association, its property and its Members. The Association shall have the right to determine, through the Board of Directors, standards for screening prospective purchasers and occupants. Appropriate grounds for disapproval shall include, but not be limited to, any one or more of the following:

- (v) The person seeking approval or intended occupants have a history or disruptive behavior or disregard for the rights or property of others;
- (vi) The person seeking approval or intended occupants have evidenced an attitude of disregard for covenants or restrictions applicable to the Association and/or Rules and Regulations of the Association, by his conduct in this Association as tenant, Owner or occupant of a Unit, or such attitude at the personal appearance before the Board or its designee; or
- (vii) The person seeking approval has failed to provide the information, fees or appearances required to process the application in a timely manner, or provided false information during the application process.

2. Application Form. The Association is vested with the authority to prescribe an application form such as may require specific personal, social, financial, and other data relating to the intended purchaser or new owners, and occupants, as may reasonably be required by the Association in order to enable the Association to reasonably investigate the intended purchaser, new owners and occupants within the time limits extended to the Association for that purpose as set forth in this Section 41. The application shall be complete and submitted to the Association along with and as an integral part of the notice of intended Transfer.

3. Transfer Fee. The Board of Directors is empowered to charge a fee in connection with and as a condition for the approvals set forth in this Section 41; in an amount not to exceed the maximum allowed by applicable law from time to time.

The payment shall be made by a separate check made out to the Association but designated for the Capital Improvement Fund. 5. Limitations on Ownership. No person shall own, in whole or in part, more than one (1) Unit in The Lexington Club. The term "person" shall mean and refer to ownership individually or by an entity in which the person has any interest. In addition, no person or entity may purchase more than one (1) Unit by using a "straw" purchaser to circumvent the intentions of this paragraph.

6. Reverse Mortgages. All current owners at the time this Merged, Amended and Restated Declaration shall be recorded, shall be permitted to have or obtain a reverse mortgage on

Each Owner and Occupant shall comply strictly with the Bylaws and the published Rules and Regulations of the Association adopted pursuant to this Declaration, as either of the same may be lawfully amended from time to time, and with the covenants, conditions and restrictions set forth in this Declaration and in the deed or other instrument of conveyance to his Lot or Unit. If any failure to comply with any of the same shall be grounds for imposing fines, for suspending voting rights or rights of use of the Recreational Facilities located in the Common Areas, or for instituting an action to recover sums due, for damages, and/or for injunctive relief and/or any other remedy available at law or in equity, such actions are to be maintainable by the Board of Directors on behalf of the Association or, in a proper case, by an aggrieved Owner. Should the Association employ legal counsel to enforce any of the foregoing, all costs incurred in such enforcement, including court costs and reasonable attorneys' fees, shall be paid by the violating Owner. Inasmuch including the enforcement of the provisions of this Declaration, the Bylaws, and the Rules and Regulations of the Association are essential for the effectuation of the general plan of development contemplated hereby and for the protection of present and future Owners, it is hereby declared that any breach thereof may not adequately be compensated by recovery of damages, and that the Association or any aggrieved Owner, in addition to all other remedies shall be entitled to the remedy of injunction or other equitable action to restrain any such violation or breach or any threatened violation or breach. No delay, failure or omission on the part of the Association or any aggrieved Owner in exercising any right, power, or remedy herein provided shall be construed as an acquiescence thereto or shall be deemed a waiver of the right to enforce such right, power or remedy thereafter as to the same violation or breach, or as to a violation or breach occurring prior or subsequent thereto and shall not bar or affect its enforcement. No right of action shall accrue nor shall any action be brought or maintained by

anyone whatsoever against the Association for or on account of any failure to bring any action on account of any violation or breach, or threatened violation or breach, by any person of the provisions of this Declaration, the Bylaws or any Rules and Regulations of the Association, however long continued. This Section shall not be amended unless such amendment is made or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 6. Enforcement by or Against Other Persons. In addition to the foregoing, this Declaration and the Rules and Regulations may be enforced by the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration, including the Rules and Regulations, shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Rules and Regulations.

Section 7. Captions. The captions in the Condominium Documents are inserted only as a matter of convenience and for ease of reference and in no way define or limit any provision in the Condominium Documents.

The foregoing priorities, shall not prevent enforcement by the Condominium Association of provisions or rules which are stricter than those of the association.

Section 14. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end the provisions of this Declaration are declared to be severable.

Section 15. Right of Entry. The Association shall have the right but not the obligation to, enter into any Unit for emergency, security, and safety, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all policemen,

The proceeds of such a sale shall first be used for the payment of any debts or obligations constituting a lien on the Common Area, then for the payment of any obligations incurred by the trustee in the operation, maintenance, repair and upkeep of the Common Area. The excess of proceeds, if any, from Common Area shall be distributed among property Owners in a proportion which is equal to the proportionate share of such Owners in the annual budget; provided, however, that where the portion of the Property owned by any Owners is encumbered by a mortgage, the distribution attributable to said portion of the Property shall be applied as provided in said mortgage either as specifically provided therein or as provided in cases on condemnation awards.

If any addition or amendment to this Declaration is not considered as a material change, such as the correction of technical error or clarification of a statement, the constituent documents, including this Declaration, shall imply approval to be assumed when the Eligible Mortgage Holder fails to submit a response to any written proposal for amendment within thirty (30) days after the proposal is made.

Section 2. Amendments Required by Mortgagees. There shall be automatically incorporated as a part of this Declaration and, where applicable, the Articles and Bylaws of the Association, any and all provisions which now or hereafter may be required under the regulation of FNMA, FHLMC or GNMA, so to make any Institutional Mortgage encumbering a Lot eligible for purchase by FNMA, FHLMC, or GNMA, and such provision shall supersede any conflicting matters contained in this Declaration, the Articles or Bylaws, except to the extent compliance with any regulations or guidelines be waived by FNMA, FHLMC, or ONMA. Should FNMA, FHLMC or lender require an amendment to this Declaration, the Articles or Bylaws, then such amendment may be made and filed by the Association without regard to any other provisions herein contained regarding amendments and without any requirement of securing the consent of any Owner.

No part of any addition to the dimensions of said party wall, or of any extension thereof already built, that may be made by either of said Owners, or by those claiming under them respectively, shall be placed upon the land of the other Owner, without the written consent of the latter first obtained. If the other Owner thereafter makes use of the party wall, he shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such

Owner to call for a larger contribution under any rule of law regarding liability for negligent or willful acts or omissions.

Section 5. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article XV, each party shall choose one Arbitrator, and such arbitrator shall choose an additional arbitrator, and the decision of a majority of all arbitrators shall be final and conclusive of the question involved.

Section 2. MEMBERSHIP AND VOTING RIGHTS.

2.1 **Qualifications.** Subject to the provisions of Article III of the Declaration: The

Members of the Association shall be the record owners of legal title to the Units. The foregoing is not intended to include persons who hold their interest merely as security for the performance of an obligation.

2.2 Change in Membership. Subject to the provisions of Section 2.1 above: A change of Membership shall be established and become effective by recording in the Public Records of the County, a deed or other similar instrument and by the delivery to the Association of a copy of such instrument. The failure of a new record owner to deliver a copy of such instrument to the Association shall not deprive the new record owner of Membership in the Association.

2.3 Termination of Membership. The termination of Membership in the Association does not relieve or release a former Member from liability or obligation incurred in, or in any way connected with, the Association during the period of his Membership, nor does it impair any rights or remedies which the Association may have against any former Owner or Member arising out of, or in any way connected with, such ownership and Membership and the covenants and obligations incident to same.

2.4 Voting Interests: Votes. In any meeting of Members, Owners shall be entitled to cast one vote for each Unit owned by them. The vote of a Unit shall not be divisible.

A. Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Members for all purposes except where otherwise provided by law, the Declaration, the Articles or these Bylaws. As used in these Bylaws, the Articles or the Declaration, the terms "majority of the Owners" and "majority of the Members" shall mean a majority of the votes of Members and not a majority of the Members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Members at which a quorum shall have been attained. Similarly, if some greater percentage of Members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of Members and not of the Members themselves.

B. Voting Member. If a Unit is owned by one person, his or her right to vote shall be established by the roster of Members. If a Unit is owned by more than one person, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by all the record owners of the Unit according to the roster of Owners and filed with the Secretary of the Association. The unit may be owned and voted by a trustee of a revocable or irrevocable trust; no unit may be owned by a land trust or corporation. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. A certificate designating the person entitled to cast the vote for a Unit may be revoked by any record owner of an undivided interest in the Unit. If a certificate designating the person entitled to cast the vote for a Unit is not on file or has been revoked, the vote of the Owner(s) of such Unit shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed, except if the Unit is owned jointly by a married couple or a domestic

partnership. If a Unit is owned jointly by a married couple or domestic partners, they may, without being required to do so, designate a voting Member in the manner provided above. Such designee need not be an Owner. In the event a married couple or domestic partners do not designate a voting Member, the following provisions shall apply:

- i. If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).
- ii. If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Unit vote just as though he or she owned the Unit individually, and without establishing the concurrence of the absent person.
- iii. If both are present at a meeting and concur, either one may cast the Unit vote.

2.5 Approval or Disapproval of Matters. Whenever the decision or approval of an Owner is required upon any matter, whether or not the subject of an Association meeting, such decision shall be expressed by the same person who would cast the vote of such Unit if in an Association meeting, unless the joinder of record Owners is specifically required.

2.6 Electronic Voting: In the event the Board shall implement electronic (online) voting, it shall be the duty of the Board to obtain a written consent from each Member opting into online voting, which shall be valid until revoked, and the Board must follow the requirements listed below:

A. Each Member will be provided with a method to authenticate the Member's identity through the online voting system.

- iii. In the case of a secret election, permanently separate any authentication or identifying information from the electronic election ballots.
- iv. Store and keep electronic ballots Accessible to election officials for recount, inspection and review purposes.

2.7 Delinquent Owners. If any Assessment or portion thereof imposed against an Owner, remains unpaid for thirty (30) days following its due date, such Owner's voting rights in the Association shall be automatically suspended until all past due Assessments and all other sums then due are paid, where upon the voting rights shall be automatically reinstated.

The proposed budget shall be detailed and shall show the amounts budgeted by accounts and expense classifications. To the extent required by the Administrative Rules, the annual budget shall include all estimated revenues and expenses for that year and the estimated surplus or deficient as of the end of the current year. Furthermore, the budget must set out separately all fees and charges paid for by the Association for recreational amenities, whether owned by the Association, or another person as well as any categories set forth in F.S. 720.303(6). The Board of Directors further has the power to amend (increase) the annual budget should same be necessary to pay for valid common expenses, or to amend (decrease) the annual budget should same be warranted, all at the discretion of the Board of Directors. The Association shall provide each Member with a copy of the annual budget or a written notice that a copy of the budget is available upon request at no charge to the Member. The copy must be provided to the Member within ten (10) business days after receipt of a written request from the Member.

7.2 Reserves.

A. Statutory Reserves for Capital Expenditures and Deferred Maintenance. In addition to annual operating expenses, the proposed budget must include reserve accounts for capital expenditures and deferred maintenance for which the Association is responsible. The amount to be reserved shall be computed by a formula based upon the estimated life and replacement cost of each item, as more fully set forth in the Administrative Rules as amended from time to time. The Association shall be required to establish statutory reserve accounts for capital expenditures and deferred maintenance if the Developer imposed reserve accounts while under the Developers control or if the majority of owners voted at a duly convened meeting to establish reserve accounts. THE BUDGET OF THE ASSOCIATION DOES NOT PROVIDE FOR RESERVE ACCOUNTS FOR CAPITAL EXPENDITURES AND DEFERRED MAINTENANCE THAT MAY RESULT IN SPECIAL ASSESSMENTS. OWNERS MAY ELECT TO PROVIDE FOR RESERVE

ACCOUNTS PURSUANT TO SECTION 720.303(6), FLORIDA STATUTES, UPON OBTAINING THE APPROVAL OF A MAJORITY OF THE TOTAL VOTING INTERESTS OF THE ASSOCIATION BY VOTE OF THE MEMBERS AT A MEETING OR BY WRITTEN CONSENT.

If the budget of the Association does provide for funding accounts for deferred expenditures, including, but not limited to, funds for capital expenditure and deferred maintenance, but such accounts are not created or established pursuant to paragraph (d), each financial report for the preceding fiscal year required by Florida Statutes must also contain the following statement in conspicuous type:

THE BUDGET OF THE ASSOCIATION PROVIDES FOR LIMITED VOLUNTARY DEFERRED EXPENDITURE ACCOUNTS, INCLUDING CAPITAL EXPENDITURES AND DEFERRED MAINTENANCE, SUBJECT TO LIMITS ON FUNDING CONTAINED IN OUR GOVERNING DOCUMENTS. BECAUSE THE OWNERS HAVE NOT ELECTED TO PROVIDE FOR RESERVE ACCOUNTS PURSUANT TO SECTION 720.303(6), FLORIDA STATUTES, THESE FUNDS ARE NOT SUBJECT TO THE RESTRICTIONS ON USE OF SUCH FUNDS SET FORTH IN THAT STATUTE, NOR ARE RESERVES CALCULATED IN ACCORDANCE WITH THAT STATUTE.

7.3 Other Reserves. In addition to the reserves provided in Section 7.2 above, the Board may establish one or more additional reserve accounts for operating expense, repairs, minor improvements, deferred maintenance, or contingencies. The purpose of these is to provide financial stability and to avoid the need for special assessments on a frequent basis. The amount proposed to be reserved shall be shown in the proposed annual budget each year. These funds shall be spent for any purpose as promulgated by the Board from time to time.

7.4 Annual Assessments. Annual assessments based on the adopted budget shall be paid in four (4) equal quarterly installments, in advance, due on the first day of each month of January, April, July, and October unless otherwise specified by the Board of Directors. Written notice, or electronic notice, if approved by the Member, of the annual assessment shall be provided to all Members prior to the commencement of each quarterly period or one notice of maintenance assessments may be given for the entire fiscal year. Failure to send or receive such notice shall not excuse the obligation to pay. If an annual budget for a new budget year has not been adopted at the time the first installment for that year is due, it shall be presumed that the amount of such installment is the same as the previous installment, and shall be continued at such rate until a budget is adopted and pro rata assessments are calculated, at which time any overage or shortage calculated shall be added or subtracted from each Unit's next due installment. In the event that the annual budget is amended, the overage or shortage calculated shall be added or subtracted equally over the balance of the annual assessment installments due for the year.

7.5 Special Assessments. Special assessments may be imposed by the Board of Directors when needed to meet any proper common expense(s) for which there is/are not sufficient funds in the annual budget and annual assessments. The funds collected pursuant to a special

assessment shall be used only for the specific purpose or purposes set forth in the notice of the special assessment. In the event that the funds are used for the specific purpose or purposes, and excess funds remain, the excess funds will be retained by the Association as part of the common surplus, and may at the discretion of the Board, be returned to the Owners or applied as a credit toward future assessments. However, if the funds are not used at all for specific purpose(s) stated in the notice, then those funds not so used, in the stated amount, shall be returned to the owners.

7.6 Acceleration of Assessments. If any annual or special assessment installment as to a Unit becomes more than thirty (30) days past due, the Association shall have the right to accelerate the due date of the entire unpaid balance of the Unit's annual assessment for that fiscal year and/or special assessment, as applicable and as provided in Section 7 of the Amended and Restated Declaration.

Upon approval of a majority of the total voting interests of the Members, the Association shall prepare or cause to be prepared, shall amend the budget or adopt a Special Assessment to pay for the financial report regardless of any provision to the contrary, and shall provide within 90 days of the meeting or the end of the fiscal year, whichever occurs later: (1) compiled, reviewed, or audited financial statements, if the Association is otherwise required to prepare a report of cash receipts and expenditures; (2) reviewed or audited financial statements, if the Association is otherwise required to prepare compiled financial statements; or (3) audited financial statements, if the Association is otherwise required to prepare reviewed financial statements.

Section 9. MANAGEMENT AGENT.

9.1 The Board of Directors may employ for the association a professional management

agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the board system supervision, all of the powers granted to the Board of Directors by these Bylaws.

9.2 No management contract may have a term in excess of one year and must permit termination by either party without cause and without termination fee on ninety (90) days' written notice.

Section 10. PARLIAMENTARY RULES. ROBERTS' RULES OF ORDER (latest edition) shall govern the conduct of meetings of the Membership and Board of Directors when not in conflict with the Governing Documents or applicable Law.

Section 11. EMERGENCY BYLAWS. The following shall apply to the extent not prohibited by Law.

11.1 The Board of Directors may adopt Bylaws to be effective only in an emergency defined in Florida Statutes. The emergency Bylaws, which are subject to amendment or repeal by the Members, may make all provisions necessary for managing the Association during an emergency, including:

A. Procedures for calling a meeting of the Board of Directors;

B. Quorum requirements for the Meetings; and Designation of additional or substitute Directors.

11.2 The Board of Directors, either before or during any such emergency, may provide, and from time to time modify, lines of succession in the event that during such emergency any or all Officers or agents of the Association are for any reason rendered incapable of discharging their duties.

11.3 All provisions of the regular Bylaws consistent with the emergency Bylaws remain effective during the emergency. The emergency Bylaws are not effective after the emergency ends.

11.4 Corporate action taken in good faith in accordance with the emergency Bylaws:

i. Binds the Association; and

ii. May not be used to impose liability on a Director, officer, employee, or agent of the Association.

11.5 An emergency exists for purposes of this Section 11 if a quorum of the Association's Directors cannot readily be assembled because of some catastrophic event.

Section 12. AMENDMENT OF THE BYLAWS. All amendments to the Bylaws shall be proposed and adopted in the following manner:

12.1 Proposal. Amendments to these Bylaws may be proposed by the Board of Directors or by written petition signed by Owners of one-fourth (1/4) of the Units.

12.2 Procedure; Notice and Format. Upon any amendment or amendments to these Bylaws being proposed as provided above, the proposed amendment or amendments shall be submitted to a vote of the Members not later than the next annual meeting, unless insufficient time to give proper notice remains before that meeting. An amendment may be considered at the annual or a special Members' meeting. The full text of any amendment to the Bylaws shall be included in the notice of the Owners' meeting at which a proposed amendment is considered by the Owners. New words shall be inserted in the text by underlining and words to be deleted shall be lined through with hyphens; however, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but instead, a notation must be inserted immediately preceding the proposed amendment is substantially the following language: "Substantial rewording of Bylaws. See provision ___ for present text."

12.3 Vote Required. Except as otherwise provided by Florida Law, or by specific provision of the Declaration, these Bylaws may be amended by a vote of at least fifty percent plus one (50% + 1) of the Board and fifty percent plus one (50% + 1) of the Members at a duly called meeting of Members, provided a quorum exists. A quorum shall constitute thirty percent (30%) of the entire membership present at the meeting (in person, by consent, and by proxy). If the amendments were proposed by a written petition signed by the Owners pursuant to Section 11.1 above, then the concurrence of the Board of Directors shall not be required.

12.4 Certificate Recording; Effective Date. A copy of each adopted amendment shall be attached to a certificate that the amendment was duly adopted as an amendment to the Bylaws, which certificate shall be in the form required by law and shall be executed by any Officer of the Association with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the Public Records of the County. The Certificate of Amendment shall, on the first page, state the book and page of the Public Records where the Declaration is recorded. The Certificate shall be executed with the formalities required for the recording of a deed.

12.5 Provisos. Notwithstanding any provision in the Governing Documents to the contrary:

A. No amendment shall operate to unlawfully discriminate against any Owner, Member, or Parcel.

B. An amendment to these Bylaws that adds, changes, or deletes a greater or lesser

quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote required to take action under the quorum and voting requirements then in effect or proposed to be adopted, whichever is greater.

C. Any emergency Bylaws adopted pursuant to Article 10 of these Bylaws may be adopted or amended by the vote of a majority of the entire Board of Directors at the time there is no emergency, or by a lesser vote as determined by the Board in the event of an emergency; such Bylaws need not be recorded and shall become effective as resolved by the Board of Directors. This Section 11.5.C of the Bylaws shall not preclude the Members from amending or repealing such emergency Bylaws as provided in Sections 11.1 through 11.4 above. No emergency Bylaws amended or repealed by the Members shall be amended by the Board of Directors, without following the procedures set forth in Sections 11.1 through 11.4 above.

Section 13. MISCELLANEOUS.

13.1 Gender. Whenever the masculine or singular form of a pronoun is used in these Bylaws, it shall be construed to mean the masculine, feminine or neuter; singular or plural, as the context requires.

13.2 Severability. Should any portion hereof be void or become unenforceable, the remaining provisions of the instrument shall remain in full force and effect.

13.3 Conflict. If any irreconcilable conflict should exist, or hereafter arise, with respect to the interpretation of Florida law, the Articles of Incorporation, the Declaration, and these Bylaws, the provisions of Florida law, the Declaration, the Articles of Incorporation, and the Bylaws (in that order) shall prevail, unless specifically noted otherwise. In addition, in the event of conflict between or among the provisions of the Declaration, Bylaws, the Articles of Incorporation or rules and regulations pursuant thereto and the Condominium Documents those provisions of The Lexington Club Community Association documents shall be superior and shall prevail over those of the Condominium Association. The foregoing priorities, shall not prevent enforcement by the Condominium Association of provisions or rules which are stricter than those of the association.
